TRUSTEES' REPORT

FOR THE YEAR ENDED 30 JUNE 2020

The trustees present their report and financial statements for the year ended 30 June 2020.

The financial statements have been prepared in accordance with the accounting policies set out in note 1 to the financial statements and comply with the charity's constitution, the Charities Act (Northern Ireland) 2008 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)".

Objectives and activities Public Benefit

The Trustees have taken cognisance of the Charity Commission for Northern Ireland's guidance on public benefit as defined in the Charities Act (Northern Ireland) 2008.

Who PPI-NI Are

PeacePlayers International Northern Ireland (PPI-NI) is a cross-community charity that uses sport, in particular the game of basketball, to unite, educate and inspire young people from historically divided parts of the community in Northern Ireland.

PPI-NI's work in Northern Ireland, as it is at all of the PeacePlayers sites around the world, is based on the simple yet powerful premise that "children who play together can learn to live together".

Unifying Principals

Bridging Divides

PPI-NI uses the game of basketball to build deep, lasting friendships among young people from communities with histories of conflict. To truly transform the status quo in communities with a history of violence, PPI-NI emphasises the pursuit of shared goals and relationship building over a prolonged period of frequent interaction.

Developing Leaders

PPI-NI teaches its participants how to understand the dynamics that lead to conflict, how to overcome conflict, and how to share their knowledge with others. PPI-NI not only prepares its participants to become leaders of PPI-NI programmes upon "graduation," but the charity also expects young people to leave its programme ready to take on leadership roles knowing how to take the skills they have learned on the court and apply it to all aspects of their lives.

Changing Perceptions

PPI-NI uses the public nature of sport to illustrate the potential for cooperation to the broader community. By proactively partnering with public, private, and international bodies in pursuit of shared goals, PPI-NI aims to leverage its impact in support of society-wide change.

PPI-NI's Vision

The vision of PPI-NI is of inspired and confident children and young people building positive relationships and promoting sustainable peace in Northern Ireland.

PPI-NI's Mission

PPI-NI's mission is to use sport, in particular the game of basketball, to create opportunities for young leaders to promote respect and mutual understanding between the historically divided community of Northern Ireland.

TRUSTEES' REPORT (CONTINUED) FOR THE YEAR ENDED 30 JUNE 2020

What PPI-NI Do

<u>Primary School Twinning (PST)</u>: The foundation of our cross-community intervention. This programme engages children ages 9 to 11, pairing a maintained (predominantly Catholic) primary school with a controlled (predominantly Protestant) primary school for 90 minute sessions during the school day. The Twinning programme is offered to Primary Six classes in the autumn and Primary Seven classes in the spring. A typical twinning programme lasts six weeks and introduces the fundamentals of basketball in conjunction with PPI-NI's peace-building curriculum, which incorporates the Northern Ireland Personal Development and Mutual Understanding (PDMU) academic curriculum.

<u>Cross Community Interface League - Belfast Interface League (BIL)</u>: An evening / after school and residential programme that builds upon the lessons of the primary school curriculum and engages young people in 'hubs' (e.g. in north, south, east and west Belfast) providing cross community basketball training, matches and community relations discussions.

<u>Champions for Peace (C4P)</u>: Graduates of PPI-NI's PST and BIL programmes have the opportunity to continue to be involved with PPI-NI through formal training (e.g. Open College Network (OCN) accredited training in "Promoting Diversity Through Sport") and experiential learning opportunities (e.g. acting as assistant coaches and facilitators, supporting programme delivery with younger participants, competing on integrated teams). The C4P programme operates on a year round basis and has a focus on peer leadership, mentoring and personal development.

<u>Coaches:</u> PPI-NI has recruited and trained a bank of 38 sessional coaches. Sessional coaches form an integral part of PPI-NI's delivery capacity. As products of the programme they are engaged through PPI-NI's Positive Coaching framework and trained to deliver PPI-NI's community relations through sport curricula and programmes.

<u>Coaches Development Programme:</u> This year the charity has supported and encouraged 30 participants that are particularly interested in becoming sessional coaches with PPI-NI to engage with its Positive Coaching framework. As well as being trained in how to deliver the charity's curriculums, CDP participants are provided with the opportunity to live test and fine-tune their skills through acting as assistant coaches at PST and BIL sessions.

<u>Belfast Interface Games (BIG)</u>: BIG follows the Game of Three Halves model, bringing children and young people from different backgrounds together to explore culture and identity through participating in three sports from Northern Ireland's rich sporting heritage: football, Gaelic football and Rugby. Four camps are organised across the city, in north, south, east and west Belfast. At each camp up to 50 young people, from either side of some of Belfast's most notorious interfaces, come together to play Gaelic football, rugby and soccer. Coaching stations, led by coaches from each of the three sports, are complimented by a 'fourth half' of interactive community relation's conversations led by PPI-NI facilitators.

The trustees have paid due regard to guidance issued by the Charity Commission in deciding what activities the charity should undertake.

Achievements and performance

Since 2002, PPI-NI has successfully used sport, and in particular the game of basketball, to confront sectarianism and foster mutual respect and tolerance by providing a safe place for Catholic and Protestant children to play together. PPI-NI seeks to create a leadership pipeline and progression route for all of the young people with whom the charity works. PPI-NI over the last 18 years has been able to establish its reputation as a leader in the delivery of sports based cross community initiatives in Northern Ireland.

FOR THE YEAR ENDED 30 JUNE 2020

Annual Targets, Indicators & Results for FY19/20

In tracking progress against its Strategic Plan 2018-21 PPI-NI conducts two primary types of programme monitoring: output monitoring of activities, and outcome monitoring of changes generated by the programme. The PeacePlayers internal monitoring system is outlined in detail in PPI-NI's "Monitoring Framework."

Output monitoring

For each activity delivered by PPI-NI, staff will collect at minimum information on the number of activities/ events held and the number of participants. Depending on the programme activity, this information will be disaggregated according to religion/community background, ethnicity, gender, postcode, etc.

Outcome monitoring

PPI-NI monitors progress towards its intended outcomes on an ongoing basis. In particular, the organisation will conduct baseline and end-line data collection at the beginning and end of each programme year.

Some Headline Results from FY19/20

During FY19/20 PPI-NI worked with a total of 1,083 children and young people providing sustained and regular opportunities for contact and community relations through sport conversation and capacity building. 47% of participants (504) were from a Catholic background and 41% (439) were from a Protestant background, 12% (140) did not respond or chose not to be identified. 51% of participants were female and 49% male.

COVID-19 Restrictions

Due to COVID-19 restrictions PeacePlayers ceased all face-to-face programming on 18 March 2020. Rather that stopping, PeacePlayers pivoted to virtual delivery. Whilst primary school Twinnings could not take place in the spring term, (thus the lower total participant numbers than last year) PeacePlayers was able to remotely deliver a full spring term of its Cross Community League in Belfast and in Larne. A particularly exciting unexpected outcome from the unique circumstances imposed by COVID, was the opportunity to bring the work of PeacePlayers into peoples homes.

During the year, through its core programming, PPI-NI:

- Engaged a total of 281 young people for 20 weeks through its CCL programmes in Belfast & Larne. The autumn 2019 term was delivered in-person and the spring 2020 term was delivered remotely.
- Provided a year round programme of formal training and experiential learning for 52 senior and junior Champions for Peace (C4P).
- Facilitated 9, six-week Twinnings, engaging 19 classes and a total of 394 children these Twinnings were delivered in person in the period prior to lock-down.

In November 2019 PeacePlayers conducted a survey with a sample of 162 participants:

- 72% of participants indicated that they feel favourable about people from a different religious background to their own.
- 84% of participants indicated that being in PPI-NI has given them a chance they would not have otherwise to meet people their own age who are a different religion to them.
- 81% of participants indicated that they feel able to talk openly with others about their sense of identity, culture and aspirations.
- 96% of participants indicated that they would feel comfortable playing a sport that is associated with a different religious background/tradition.
- 88% of participants indicated that they feel confident in their ability to be a leader within PeacePlayers.
- 93% of participants indicated that they feel confident in their ability to be a leader within family, friends and peers.
- 77% of participants indicated that they feel confident in their ability to be a leader within their own community.
- 76% of participants indicated that they feel capable of starting a project to help people.

Financial review

The charity's income and expenditure for the year ended 30 June 2020 can be found within the Statement of Financial Activities on page 10. The financial position as at 30 June 2020 can be found within the Balance Sheet on page 11. The charity had net expenditure for the year of £23,850 (2019 - £17,401) and closing funds of £105,979 at 30 June 2020. Closing funds include restricted funds of £50,996 and unrestricted funds of £54,983. The parent charity, PeacePlayers International, has confirmed its intent to support the Northern Ireland subsidiary should it come into financial difficulty.

Funds policy

The Trustees have agreed a target funds policy of accumulating at least £30,000 in free reserves locally to cover three months core running costs in the event of any future funding issues. Free reserves of the charity at 30 June 2020 amounted to £34,467, which represents approximately five weeks of overall annual expenditure based on the figures for the year ended 30 June 2020.

Risk management

The trustees identify the major risks to which the charity is exposed each financial year when preparing an updated strategic plan, in particular those related to the operations and finances of the charity. The trustees then review any major risks which have been identified and establish systems to mitigate those risks. The charity is satisfied that systems are in place to mitigate their exposure to the major risks which have been so identified and reviewed.

Plans For The Future

PPI-NI plans to continue the facilitation of various peace building through sport programmes and activities that will further progress towards the organisation's strategic goal, which is "Improved relations between the historically divided community of Northern Ireland". The outcomes of these ongoing programmes are set out in the organisation's strategic plan FY18-21:

Outcome 1: Increased mutual respect and understanding among children and young people from different backgrounds in Northern Ireland.

Intermediate Outcome 1.1: Improved knowledge of concepts surrounding and leading to conflict.

Intermediate Outcome 1.2: Increased opportunities for interaction among children and young people from different parts of our community.

Outcome 2: Children and young people are equipped to be leaders in their communities and beyond.

Intermediate Outcome 2.1: Strengthened self-esteem among children and young people.

Outcome 3: Increased sphere of influence and impact of PPI-NI's unique contribution to institutional change.

Outcome 4: Increased understanding and embedding of PPI culture within the organisation locally.

Statement of trustees' responsibilities

The trustees are responsible for preparing the Trustees' Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in Northern Ireland requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources of the charity for that year.

In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;

- observe the methods and principles in the Charities SORP;

- make judgements and estimates that are reasonable and prudent;

- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements; and

- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The trustees are responsible for keeping sufficient accounting records that disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act (Northern Ireland) 2008 and the provisions of the trust deed. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees are responsible for the other information. The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters in relation to which the Charities (Accounts and Reports) Regulations (Northern Ireland) 2015 require us to report to you if, in our opinion:

Auditor's responsibilities for the audit of the financial statements

We have been appointed as auditor under section 65(2) of the Charities Act (Northern Ireland) 2008 and report in accordance with regulations made under section 66 of that Act.

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: http://www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditor's report.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 30 JUNE 2020

1 Accounting policies

Charity information

PeacePlayers International Northern Ireland (PPI-NI) is a branch of PeacePlayers International based in Washington DC (USA). PPI-NI has its own separate constitution and is registered with the Charity Commissioners for Northern Ireland (No. 104342). The principal address of the charity is Peace House, 224 Lisburn Road, Belfast, BT9 6GE.

1.1 Accounting convention

The financial statements have been prepared in accordance with the Charities Act (Northern Ireland) 2008 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (as amended for accounting periods commencing from 1 January 2019). The charity is a Public Benefit Entity as defined by FRS 102.

The charity has taken advantage of the provisions in the SORP for charities applying FRS 102 Update Bulletin 1 not to prepare a Statement of Cash Flows.

The financial statements are prepared in sterling, which is the functional currency of the charity. Monetary amounts in these financial statements are rounded to the nearest \pounds .

The financial statements have been prepared under the historical cost convention. The principal accounting policies adopted are set out below.

1.2 Going concern

At the time of approving the financial statements, the trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. Thus the trustees continue to adopt the going concern basis of accounting in preparing the financial statements.

These financial statements were approved in the midst of the coronavirus global pandemic. The charity has adequate resources to meet its ongoing financial obligations and the medium to long term impact of coronavirus is not expected to be significant.

1.3 Charitable funds

Unrestricted funds are available for use at the discretion of the trustees in furtherance of their charitable objectives.

Designated funds comprise funds which have been set aside at the discretion of the trustees for specific purposes. The purposes and uses of the designated funds are set out in the notes to the financial statements.

Restricted funds are subject to specific conditions by donors as to how they may be used. The purposes and uses of the restricted funds are set out in the notes to the financial statements.

1.4 Income

Income is recognised when the charity is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably, and it is probable that income will be received.

Cash donations are recognised on receipt. Other donations are recognised once the charity has been notified of the donation, unless performance conditions require deferral of the amount. Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation.

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 30 JUNE 2020

1 Accounting policies (Continued)

1.5 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges allocated on the objects of the charity and include project management carried out at Headquarters. Governance costs are those incurred in connection with administration of the charity and compliance with constitutional and statutory requirements.

Charitable activities and Governance costs are costs incurred on the charity's educational operations, including support costs and costs relating to the governance of the charity apportioned to charitable activities.

All expenditure is inclusive of irrecoverable VAT.

1.6 Tangible fixed assets

Tangible fixed assets are initially measured at cost and subsequently measured at cost or valuation, net of depreciation and any impairment losses.

Depreciation is recognised so as to write off the cost or valuation of assets less their residual values over their useful lives on the following bases:

Fixtures and fittings	20% straight line
Computers	20% straight line
Motor vehicles	25% straight line

The gain or loss arising on the disposal of an asset is determined as the difference between the sale proceeds and the carrying value of the asset, and is recognised in net income/(expenditure) for the year.

1.7 Impairment of fixed assets

At each reporting end date, the charity reviews the carrying amounts of its tangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any).

Intangible assets with indefinite useful lives and intangible assets not yet available for use are tested for impairment annually, and whenever there is an indication that the asset may be impaired.

1.8 Cash and cash equivalents

Cash and cash equivalents include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities.

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 30 JUNE 2020

1 Accounting policies (Continued)

1.9 Financial instruments

The charity has elected to apply the provisions of Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instruments Issues' of FRS 102 to all of its financial instruments.

Financial instruments are recognised in the charity's balance sheet when the charity becomes party to the contractual provisions of the instrument.

Financial assets and liabilities are offset, with the net amounts presented in the financial statements, when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

Basic financial assets

Basic financial assets, which include debtors and cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Financial assets classified as receivable within one year are not amortised.

Basic financial liabilities

Basic financial liabilities, including creditors and bank loans are initially recognised at transaction price unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future payments discounted at a market rate of interest. Financial liabilities classified as payable within one year are not amortised.

Debt instruments are subsequently carried at amortised cost, using the effective interest rate method.

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of operations from suppliers. Amounts payable are classified as current liabilities if payment is due within one year or less. If not, they are presented as non-current liabilities. Trade creditors are recognised initially at transaction price and subsequently measured at amortised cost using the effective interest method.

Derecognition of financial liabilities

Financial liabilities are derecognised when the charity's contractual obligations expire or are discharged or cancelled.

1.10 Employee benefits

The cost of any unused holiday entitlement is recognised in the period in which the employee's services are received.
