

PEACE PLAYERS

SOUTH AFRICA

ANNUAL REPORT

1 JULY 2022 TO 30 JUNE 2023

Using the power of sport to build peaceful and thriving communities

024 -786 NPO • SECTION 18A • PBO 93023713 • BBB-EE LEVEL 1

MISSION

To unite, educate and inspire youth from divided communities through sport.

CORE VALUES

1 Seeing people as PEOPLE

Seeing the needs, wants, and desires of others as being as equally valid as one's own.

2 Inside out TRANSFORMATION

Looking inward first to question assumptions and prejudices that lead to practising blame and dehumanisation that perpetuates conflict.

3 A culture of COLLABORATION

Commitment to finding solutions that meet the needs of both parties when faced with conflict.

THEORY OF CHANGE

CHALLENGES

South Africa is rated by the World Bank as the most unequal country in the world. There are deep racial, socio-economic and gender divides, and the majority are vulnerable to multiple stressors.

PEACEPLAYERS INPUTS

Engaging children and youth from diverse communities in sustained Life Skills Through Basketball programming, led by committed local coaches grounded in leadership development and mentorship.

INTERMEDIATE OUTCOMES

Participants gain the skills, knowledge, attitudes and behaviours that enhance their ability to become leaders who make positive life choices, challenge stereotypes, and are advocates for peace and social transformation.

IMPACT

Barriers to exclusion are dismantled, and physical, human and social capital rise in a more peaceful, prosperous and equitable society.

PILLAR 1

Health & Wellbeing - Increasing access to the lifelong benefits of sport for youth who otherwise wouldn't have the opportunity.

PILLAR 2

Education & Empowerment - Leadership and life skill development on and off the court.

PILLAR 3

Peaceful Communities - Safe and enabling environments to put skills to practise, foster conflict transformation, and leverage social change.

PILLAR 4

Collective Action – We cannot do this work alone, we collaborate with diverse stakeholders to create this shared future where young people can play together, live together, and thrive together.

CHAIRPERSON'S LETTER

Rita Mizrachi
Chairperson

I can hardly believe that another year has passed. The financial year under review, spanning July 2022 to June 2023, held its ups and downs, but throughout, our team stayed steadfast in our mission to unite diverse kids through sport.

I am exceedingly proud of Alison and the team for their dedication, perseverance and devotion in the face of adversity.

PeacePlayers SA is part of a global network of national organisations, having counterparts in the United States, Northern Ireland, and the Middle East. We were confronted with funding challenges internationally, and the global entity had to restructure, but the realignment of their commitments to sustainability and strategy should serve the organisation in good stead for its future.

In the past year, we focussed on skill building on and off the court with a focus on leadership skill development and conflict transformation. Local programmes and global initiatives have been designed to enable participants to thrive by also providing career readiness, scholarships, leadership programmes, and employment opportunities.

We create safe and enabling environments to put skills into practice, fostering conflict trans-

formation, leveraging sports for social change, and supporting access to sport and the lifelong benefits of sport for youth who otherwise wouldn't have the opportunity. We nurture physical and mental wellness through play, sports, and combating gender-based violence (GBV) and food insecurity.

We recognize we cannot do this work alone, it requires local and institutional partners, and diverse stakeholders to create this shared future where young people can play together, thrive together, and lead/collaborate across lines of difference. We thus wish to thank all of our stakeholders, the friends of PeacePlayers, for their unwavering support and never ending dedication to our cause.

Rita

EXECUTIVE DIRECTOR'S LETTER

Dr. Alison Misselhorn
Executive Director

This year in the non-profit sector has not been for the faint hearted! Globally, there has been a decline in giving amongst major donors, and the need for diversified funding strategies has never been more evident. The challenges have encouraged PeacePlayers to develop adaptive strategies and pursue broader engagement with donors at all levels. Among other new partners, we were delighted to welcome the Victor Daitz Foundation, as well as Nivea | Nivea Sun in support of our cross-cutting City Wide Tournaments and Girls Festival.

Many of the challenges facing organisations are reflected in the lives of young South Africans. Their well-being and future employability are jeopardised by countless obstacles converging to shape each child's story. For 20 years PeacePlayers has been weaving holistic life skills curricula with basketball to foster personal strength and leadership; striving to meet each child, teenager and youth where they are in their journeys.

Basketball serves as a vital development tool –

drawing young people into sport provides a proven foundation for physical and mental health, and builds personal resources and self-confidence. In the communities PeacePlayers reaches there are seldom any after-school sports available and the opportunity to play ball is an enormous draw for children, offering a constructive alternative to the many high-risk activities our kids are exposed to, and a safe space for care and mentorship.

The PeacePlayers life skills curricula include activities and interactive sessions addressing conflict resolution, diversity and inclusion, teamwork and leadership, mindfulness, emotional and social intelligence, collaboration and communication. Our curricula are founded on three simple but powerful core values: seeing people as people, inside-outside transformation, and a culture of collaboration. The application of these values in real world contexts translates to the development of transferable skills and life lessons – wherever life's journey leads.

Our model produces young leaders with the ability to reach their potential regardless of the systemic inequalities into which they were born, and the knowledge and the motivation to advocate for positive change.

We look forward to another year of seeing young lives transformed!

Alison

OUR PROGRAMMING

● CORE LIFE SKILLS THROUGH BASKETBALL

AGE: 9-18 YEARS

Sustained twice-weekly Life Skills Through Basketball sessions with 500+ primary and high school children from diverse communities across the programme year.

● LEADERSHIP DEVELOPMENT PROGRAMME (LDP)

AGE: 9-18 YEARS

20 high school leaders who have shown their dedication to our core values of equality and peace leadership meet monthly in sessions equipping them with leadership and team-building skills that they can use throughout their lives.

● LEADERSHIP FOR LIFE

Coaches Development Programme

AGE: 18-25 YEARS

20-25 coaches - most of whom are High School Programme graduates - are supported with a stipend as they further develop their youth mentorship skills.

Leadership Academy

AGE: 18+ YEARS

A range of support for our alumni to equip them with the skills, resources and networks that will enable them to build livelihoods for themselves and assume positions of leadership for positive change.

● CROSS-CUTTING EVENTS AND TOURNAMENTS

AGE: 9-18 YEARS

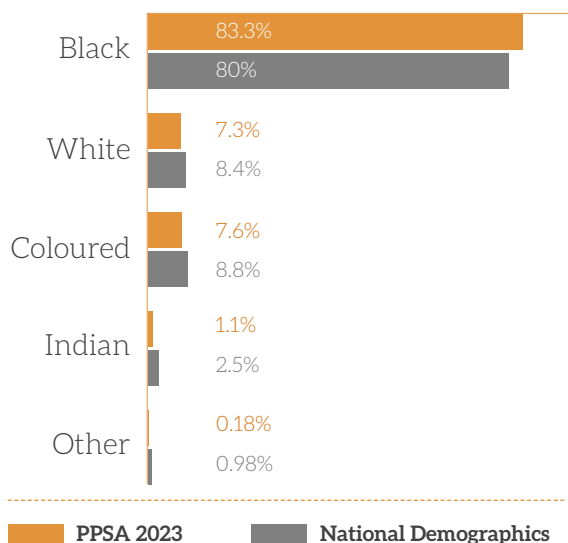

Major events where all our participants get an opportunity to play competitive sport, including the biannual City Wide Tournament and the annual Girls Basketball Festival.

2023 AT A GLANCE

DEMOGRAPHICS

SCHOLARSHIPS

Over the years the prestigious Northwood High School has not only opened up opportunities for our coaches to expand their coaching, but also scholarships for our participants. Awande Chiliza (Umlazi), and Darsi Niyonkuru (Carrington) and Michelle Chinedu Igboegwu (Inner City), were all recipients of Northwood Scholarships this year - affording them access to incredible new opportunities in education, sport, and new friendships.

OUR IMPACT

STAFF

- 90% of our coaches are programme alumni
- 75% of our full-time staff are programme alumni

PARTICIPANTS

- at least 80% of our participants who are still in school return year on year
- 81% have made at least one friend at PeacePlayers
- 90% have found a role model within PeacePlayers
- 80% would be willing to make friends with someone of a different race
- 68% feel seen as capable by participants from all backgrounds and races

Research shows that the longer children and youth have participated in our programmes, the higher their reported empowerment, self-efficacy, and conflict mitigating behaviour.

% OF PARTICIPANTS BY GENDER

We aim for all our core programmes to have a 50/50 gender split of boys and girls - this varies year on year.

Primary School

High School

Leadership Development

COMMUNITY HIGHLIGHTS

Area Coordinator: Thobani Ngubane

Areas: Umlazi, Upper Highway, Verulam & Scottburgh

Schools (total participants):

Cwebezela Primary School (20), Sekelani Primary School (20), Sukuma Primary School (20), Emthethweni Primary School (20), Umlazi West- Community HSP Team (20), Highbury Preparatory School (72), LIV Village School (40), Scottburgh (20)

Umlazi

We pride ourselves in seeing the development of our participants who transition through programmes. Fezile Hlongwa, who started as a participant in Umlazi West High School Community Team, joined the Leadership Development Programme, and then became a PeacePlayers coach. She is now a first year Human Resource Management student at the Durban University of Technology and continues to serve as a coach at Sekelani Primary School. Fezile understands the needs of the youth in her community, she has experienced our programmes first hand and now has an opportunity to give back and facilitate our Life Skills Though Basketball to contribute to transforming her community.

Upper Highway

Highbury Preparatory School joins our programme during their basketball season in Term Three to participate in our weekly sessions, including our Cross-Community Peace League Games. We have seen an increase in participating teams from four last year to six this year. It's remarkable to see how our partnership has contributed to the growth of basketball in the school, including building new relationships with participants and the donation of basketball shoes for participants who played barefooted from Umlazi, Inner City and Molweni.

Verulam

Our continuous partnership with LIV Village School has grown bigger over the years. We are so proud to see their basketball programme continue to grow. This year, two LIV Village participants made the KwaZulu-Natal Province Schools Team, getting an opportunity to compete with players from other provinces. We have been most proud to see Fatima Chiliza and Nondumiso Xaba join the legacy of graduates from LIV school who received an opportunity to go to university through basketball achievements, Fatima also being awarded the most valuable player award in her first year at Free State University.

Umlazi High School
Community Team

Scottburgh

Scottburgh High School was the newest addition to our core programming this year. We would like to thank the School Principal Mr Pillay, his staff, participants, and parents for finding the synergy in our vision to use sport for social transformation. As soon as we signed the MoU, Scottburgh refurbished their sports courts and added their first basketball court facilities. Coach Philani Zondi currently travels from Umlazi to work with participants at Scottburgh, and in the next year we aim to train up a new coach from the local community to step in.

COMMUNITY HIGHLIGHTS

Area Coordinator: Sanele Zondi

Areas: Molweni, Wentworth and Lamontville

Schools (total participants):

Bazamile Primary School (20), Lamula Primary School (20), Molweni Community High School (20), Assegai Primary School (20), Fairvale Secondary School (20), Bantuvukani Primary School (20), Bhekaphambili Primary School (20) and Lamontville High School Community Team (20).

Molweni

Additional coaching energy brought hope, unity and commitment amongst the kids! They live in a poverty stricken rural area with lack of access to basic resources, but refuse to let these challenges define them. We previously had a signed MoU with Philangethemba Community Centre as our in-community partners. Their premises have been taken over by the CBO Uvemvane Lwe-Africa and we appreciate their willingness to step in as our new community partner. They have helped support the maintenance of Lamula Primary - including fixing the broken basketball hoops and offering additional support to our participants. Coach Sbonelo said "I have a dream of making Lamula Primary the PeacePlayers 2023 Peace League Champions." His dreams came true - his teams finished first and second in the Peace League, while he was also awarded PeacePlayers Coach of the Year!

Wentworth

Wentworth is known as one of the most notorious areas for violence and gangsterism. This year we had a former coach - Sheldon Francis - return. Coach Sheldon grew up in the area and has been supporting the Wentworth Community through his own organisation, Children Have a Dream (CHAD). He has been a great addition to the team, including raising funds in the community to refurbish the school basketball court, and buying new hoops and backboards with his own money. It was good to see parents and the community becoming more engaged and assisting where they could, including buying new playing kits for the team and donating shoes.

With the introduction of Coach Sbusiso Kunene from Umlazi at Assegai Primary we saw an increase in girls participation that we previously struggled to retain because of the community challenges.

Lamontville

Lamontville is one of the oldest areas we have been work-

"playing basketball keeps participants off the street"
- Coach Sheldon -

ing in that continues to produce leaders who strive to make a difference in their communities. Coach Thetha graduated with a National Diploma from Mangosuthu University of Technology in Chemical Engineering and he was offered an internship at Toyota, one of the biggest car manufacturing companies on the continent. Coach Thetha is a true PeacePlayers champion who has gone through all our programming areas since Primary School - including Global Lead-4Peace camps in Cyprus and Norway. We wish him all the best on his new journey.

COMMUNITY HIGHLIGHTS

Area Coordinator: Enicia Tshibanda

Areas: City

Schools (total participants):

Carrington Primary School (20), Glenmore Primary School (20), Berea Girls Primary School (14), Addington Primary School (20), Brettonwood High School (20), Inner-City Community HSP Team (20)

Umlazi

In the city, we strive for growth and development not only in our youth but also in our coaches. We make the most of every opportunity to build, grow, and develop the youth in our community.

Coach Caitlin Bird and her family showed interest in PeacePlayers work while she was at Curro College - Curro did not have basketball but she used to join community teams. Her first interaction with PeacePlayers was at the 1st Girls Basketball Festival in 2017. She later joined the Leadership Development Programme and decided to give back what she had learned to participants at Glenmore Primary as a Coach - the first female coach the school had seen for some years.

Coach Sizwe Blose was selected to attend FIBA Sport for Good Youth Leadership Workshop in Namibia in April. Twenty-four participants from 11 different countries attended the workshop to develop their leadership skills and learn how to create social impact through basketball. Coach Sizwe returned inspired to use the skills learned to address social inequities. He started offering academic support, financial literacy, scholarship opportunities, and professional development to our Life Skills Through Basketball participants - and beyond PeacePlayers teams to teams he coaches at Thomas More College and Clemont Clan.

Coach Skhumbuzo Mthembu's rejoined our team. He used to be a participant at Addington Primary School and is giving back as Coach at Carrington Primary. His experience from our programmes lead him to play for Varsity Basketball and the KwaZulu Marlins Provincial team in the National Basketball League. When the Carrington Primary School basketball court was affected by floods, Coach Skhu sourced equipment and worked weekly with his team to renovate the court.

LEADERSHIP DEVELOPMENT PROGRAMME AND LEADERSHIP ACADEMY

LEADERSHIP DEVELOPMENT PROGRAMME

This year in the LDP we focused on creating a safe space for participants to share and speak on sensitive and challenging issues that affect their everyday lives. We saw participants open up and share personal stories whilst others had eye-opening moments related to hearing and seeing how other people live.

The biggest highlight for LDP was participants and parents going into the township of Umlazi; visiting Cwebezela Primary School for games between teams from Umlazi West, Inner City and Lamontville. This cross-cultural experience was unforgettable for many participants and parents. We are exploring more opportunities for this as we continue the mission of bridging divides and changing perceptions.

LEADERSHIP ACADEMY

The Global Cross-Site Leadership Academy, founded in Honour of Martha Buford, supports our alumni as they pursue their education and careers. The aim is to equip them with the skills, resources and networks that will enable them to assume positions of influence, accelerate employability and affect global systemic change.

Globally, we had five outstanding graduates from South Africa, Sizwe Blose, Braydon Rotherford, Olwami Zungu, Nathan Del Fava and Martina Shirichena joined twelve of their peers from the the United States, Cyprus, Northern Ireland and the Middle East to participate in this first cohort. They all received support tailored to their needs, such as support with university tuition, internships, international fellowships, and attending global workshops and training.

Sizwe is completing a Diploma in Business Administration at Mancosa. Olwami took a gap year after high school to become an ambassador for the Dare to Dream-Liyaba and Clippers Around the World Sailing Race. Braydon became an International Fellow at PeacePlayers Northern Ireland and is now pursuing University studies in the United States. Martina has been working as an intern at PeacePlayers South Africa. Nathan is studying a Computer Science Degree at UCT.

CROSS CUTTING EVENTS/TOURNAMENTS

VAL FOWLER BASKETBALL TOURNAMENT

Our All-Star Girls Team selected from our High School Programme and Leadership Development Programme were invited to participate in the 34th Val Fowler Girls Basketball Tournament in Pietmaritzburg from 5-7 August 2022. We finished 7th out of 32 teams. This is one of the most prestigious under-18 tournaments for girls in the region and there are teams that come from as far afield as Zimbabwe. This tournament forms part of our ongoing drive to get our girls to play competitive basketball and benefit from exposure beyond our core programmes.

KEARSNEY TOURNAMENT

In August 2022 the programmes team reviewed players during the Peace League Games for selection to a team of 'all-star' calibre players and coaches from across our programmes to compete at the Kearsney Independent Schools Stayers Basketball Tournament, held in the Upper Highway area. Our PeacePlayers team did well, with the high school team qualifying for the quarter-finals, and finishing at a number 10 ranking for Independent High Schools National basketball. The primary school team qualified for the semi-finals, finishing fourth ranked for Independent Primary Schools National basketball.

CHANGE IN ACTION NPO FAIR WITH WE ARE DURBAN

We were delighted to be among the 20 successful organisations hosted by the Hollywood Foundation, We are Durban, East Coast Radio and Gateway Theatre of Shopping at the NPO Fair 24-26 March 2023. With there being about 3500 NPOs in the Durban area alone, this was an opportunity to share the work we do and engage the public in becoming part of the change needed for upliftment.

CROSS CUTTING EVENTS/TOURNAMENTS

CITY-WIDE TOURNAMENT (CWT)

We hosted the end-year, 35th City-Wide Tournament (CWT) at Hoy Park Sports Grounds on 12 November 2022 to wrap up the year and celebrate 20+ Years of our partnership with Laureus Sport for Good Foundation. This bi-annual event brought together 600+ Primary and High School participants and their coaches. The end-year CTW is a Championship Tournament. After 84 non-stop Primary and High School games across eight basketball courts, we crowned the boys and girls teams in each division as PeacePlayers SA 2022 Champions for Peace!

In partnership with Nivea and Nivea Sun, the mid-year 36th City-Wide Tournament (CWT) was held on Saturday the 17th of June 2023 at Hoy Park Sports Grounds. The mid-year tournament is unique as children and youth do not play in their school teams. They compete in mixed gender and area teams throughout the day to further facilitate interaction while *promoting gender equity and social cohesion*: bridging divides through collaborative teamwork using the sport of basketball.

CLIPPERS SAILING AROUND THE WORLD RACE COMPETITION

Our alumni aged 18-25 were invited to participate in an out of this world, three-day Sailing Residential Training hosted at the Durban Harbour by Dare to Dream-Liyaba and Nelson Mandela Children's Fund. The training was preparation for potential ambassadorships in the eight-leg Clippers Sailing Around the World Race that will be taking place over the year - Spain, Uruguay, South Africa, Australia, Viet Nam, China, USA and Scotland are amongst the countries that will be visited.

Luci Mensa, Olwami Zungu, Adam Desmond Cele, Lungisani Jwili, Siphesihle Memela, and Minathi Dlamini were the PeacePlayers Alumni selected to join the Ambassador programme upon passing all the required training in South Africa and the United Kingdom. This experience was completely new to all of them, and has helped broaden their horizons and explore career opportunities they never knew existed. We are proud and inspired by their courage as they have taken on new challenges to add to their experiential learning.

STORY BOOK

For over 22 years, PeacePlayers South Africa has been a mainstay on our courts - and in our hearts. Join us on a journey where we highlight some of the people and partners that have made us who we are today... in our first ever Storybook!
